

Foreign Exchange Management Act

Foreign Exchange Management Act (FEMA) governs foreign exchange transactions in India, ensuring legal compliance for individuals, businesses, and financial institutions dealing with foreign exchange.

Our services help you navigate FEMA regulations efficiently.

Services We Provide

FEMA Compliance Consultation

Expert guidance on FEMA regulations for individuals and businesses.

Foreign Investment Advisory

Assistance with Foreign Direct Investment (FDI) and Overseas Direct Investment (ODI) compliance.

External Commercial Borrowings (ECB)

Advisory services for borrowing funds from foreign sources in compliance with RBI guidelines.

Remittance and Repatriation Assistance

Help with sending and receiving foreign exchange legally under FEMA norms.

Liaison and Branch Office Setup

Assistance in establishing liaison, branch, or project offices for foreign entities in India.

NRI & PIO Services

Compliance and advisory for Non-Resident Indians (NRIs) and Persons of Indian Origin (PIOs) on investments and repatriation.

RBI & FEMA Filings

Assistance in preparing and submitting required reports and documents to the Reserve Bank of India (RBI)
